Case No. C95-5025FDB

**ORDER APPOINTING DR. JOE
GOLDENSON MONITOR**

15 This matter comes before the court pursuant to the court's request that the parties submit their
16 respective nominees to serve as Monitor in this proceeding (Dockets #145, #146, #147). Each party has
17 submitted a written memorandum naming and supporting their nominee along with a curriculum vitae (Dockets
18 #148, 149).

19 The court has considered each recommendation and would note that both nominees appear to be well
20 educated, qualified, and experienced in the areas of prisons and health care. The court has taken note of their
21 respective anticipated costs and expenses, availability, and other commitments. While no individual issue
22 appears to be dispositive, the court selects **Dr. Joe Goldenson**, effective immediately, to serve as Monitor in
23 place of Dr. Steve Shelton.

24 Dated this 11th day of September 2007.
